To Whom It May Concern

This is to certify that the **Tyre Protector Product** was used on the Barloworld Equipment, The Cat Rental Store vehicles with excellent results.

After the fitment of the product we have had a zero failure rate. The product was also used on some of the cat products working in harsh operating conditions and once again excellent results.

This product comes with very high recommendation after the proven results.

A handwritten signature in black ink, appearing to read 'Trevor Naidoo', written over a horizontal line.
